I Will Always Love You...Tonight

(Tron / Tron, Johnny Silver)

Do you remember that Sunday at the docks?
Do you remember these many many woodwalks?
Do you remember droppin' our names on the blocks?
I can, because I'm diggin' in our photobox.
Have you forgotten that dangerous first night?
Have you forgotten that dangerous first fight?
I have, to get away from that,
But when I watch the photos, it all comes back.
My planets 'n stars begin to spin.
My desire plays poker with the sin.
I'd sell my soul, give Lucifer my signature,
For that smile on the picture.
Do you remember our last day in the park?
Do you remember when all became dark?
Do you remember when we said goodbye?
Now I can again but still don't know why...

REFRAIN

Love's not a fair thing, Love's a bitch,
Love's a killer-machine, Love's a witch,
Love's left, Love's not right,
So that's why I will always love you...tonight.
Love's a m*therf*cker, Love's a rat,
Love's the wrong playback, Love's a cat,
Love's left, but time's on my side,
So that's why I will always love you...

Do you remember, Ohana and the Tronee,
Do you remember you tried to jump off the balcony,
Do you remember when we sang Karaoke,
I do, because that picture shows me.
Sometimes, I feel like the 'Fool on the Hill',
There's a man in me tired and ill,
A man I hate and love to kill,
Tronquichoté, fight against the windmill!
Now hearts are broken and divided,
I sit down and think about what we decided,
Was it right? Or was it wrong?
However, I'm forever yours tonight, Tron.
You just remember those beats'n rhymes?
Or do you remember Mike sometimes?
If you do, 'n you' ll got ya radio on,
Hope you'll remember that song:
